

## Screen/Cleanroom Wipes

Sericol offer a range of high quality wiping products for both screen and cleanroom applications.

### Tork Screen Wipes

Tork Screen Strong, Tork Screen Normal and Tork Multi are designed to meet the needs of the screen printer. Made from 100% virgin pulp, Tork Screen Wipes are the highest quality disposable wipes available.

### Tork Screen Strong

- Heavy duty wipe
- Soft, absorbent and durable
- Can be used repeatedly
- Suitable for all ink types
- Portable Pro-Box format, ideal for keeping near the machine
- Also available in wall mounted Top-Pak format

### Tork Screen Normal

- General purpose wipe
- Soft, absorbent and low linting
- Wiper Pak format
- Can be used with floor and wall stands
- 230 metre roll

### Tork Screen Multi

- A multipurpose wiper for cleaning, degreasing and general wiping
- Highly absorbent and durable
- Portable Pro-Box format
- 300 sheets 38.5 cm x 43 cm
- Effective alternative to laundered cloths and rags

### Features and Benefits

- **Soft and Smooth**  
Easy to handle with up to six times less fluff or dust than fabric wipes.
- **Highly Absorbent**  
Greater solvent absorption than textile wipes, therefore performing more efficiently for longer. Solvent is easily released which reduces solvent loss.
- **Always Clean**  
Free from contaminants such as swarf which are sometimes present in laundered cloths and could damage expensive screens and stencils.
- **Wiper-Pak Format**  
Designed to be wall mounted. Alternatively, the roll can be removed from the box and used with existing wall or floor stands. Wipes can also be dispensed directly from the upturned box. Dispensers are available to hold the Wiper-Pak or rolls.
- **Flexi-Box/Pro-Box Format**  
The Flexi-Box/Pro-Box is ideal for keeping near the machine or work bench. Perforated sheets are dispensed directly therefore no holders or stands are required.

### Product Codes

- WSG26 Tork Screen Wiper Strong, Case of 5 Top-Pak refills each containing 100 sheets 38 x 42 cm
- WSE05 Tork Screen Wiper Strong, Pro-Box containing 200 sheets 38 x 42 cm.
- WSE03 Tork Screen Wiper Normal, Wiper Pack containing 1 roll 400 sheets 32 x 38 cm.
- WSL01 Tork Screen Multi, Pro-Box containing 300 sheets 38 x 42 cm.
- WSP54 Floor Stand
- WSP55 Wall Stand
- WSG25 Wall mounted Top-Pak holder

### Cleanroom Wipes

Sericol Clean Room Wipes are engineered for use in the most critical cleanroom application industries making them ideal for use by digital, flexo, biomedical and optical media printers. They are a specialist wiper designed for particle sensitive applications and are the recommended choice for wiping and cleaning digital print heads.

### Composition

- 100% continuous filament polyester
- Laundered and packed in ISO Class 4 (class 10) Cleanroom Applications
- No binders or surfactants

### Features and Benefits

- **Highly Absorbent**  
Absorbs three times its weight.
- **Always Clean**  
Free from contaminants such as swarf which are sometimes present in laundered cloths and could damage ink jet print heads.
- **Lint Free**  
Ideal for applications that are particle sensitive.
- **Durable**  
Strong material allows long durability.

### Product Code

- WSD02 Cleanroom Wiper Pack  
Wiper Pack containing 150 sheets 23 x 23 cm.
